

This all new production breaks through the 3 rings, and instead provides its performers with a single performance area which becomes center stage for a storyline that is woven throughout the production. A new jumbo video screen brings you closer to the daredevil thrills like never before. Your day of delight at The Greatest Show On Earth begins on the arena floor, one hour before show time, as you join in the fun and become part of the act during the pre-show party. Then hang onto your hat and start on a journey to stir your senses as you enjoy the magic of the circus. Children under 2 years of age are free.
